Hey hey grouch-o

Are u at work today

I will hear from our City Attorney on Monday. The plan is to serve a 60 day eviction notice. She's double checking the lease language to make sure we don't step on our dicks

She wanted to do 30 day but I don't think that's reasonable

I'm off at a PTA meeting

Haven't heard a word from ACUSA

Copy.

I can't see doing a proper inspection with them still occupying the hangar

For sure

So I have a couple inquiries about a 'proposal hearing' is that what happens next? Or do the proposals get 'scored' and questions asked about them? Or what - lol, pardon my ignorance of these things

Yes the evaluation team will read all the proposals we received (4) and score. We will meet next week to discuss and come to a finding

Would it be ok to let the folks attending our 'proposal submission celebration' at Foster's Hangar tonight at 5pm know that?

Yes of course. It's explained on page 5 also. I will be preparing at that time for city council meeting tonight
